Lenovo Storage V3700 V2, and V3700 V2XP drive software package
++

As of October 2025, contact iStorage Networks for the latest Lenovo V3700 V2 drive firmware revisions, as well as, older firmware revisions.

CONTENTS

1. Introduction

2. Drive Code Levels

    2.1 Lenovo Storage V3700 V2, and V3700 V2XP Levels

3. Problems Resolved and New Features

4. Known Issues and Restrictions in this Level

---

1. Introduction

This document describes the contents of the following package files
for Lenovo Storage V3700 V2 and V3700 V2 XP:
storagedisk6535_drive_HDD_20250310
storagedisk6535_drive_SSD_20250310

IMPORTANT NOTE:
Please note that the drive firmware packages may not contain all the set of drive firmware. Certain firmware elements might be compatible with some systems while not being supported on others. To ensure optimal performance and compatibility, check the drive is supported by the selected firmware package.
